Phase - II

Canara Residency *an enormous residential Layout, dispersing across acres of land is designed and structured entirely on Vastu. Developed to be a thoroughly self-contained contemporary township, it endows you with plots to choose for your Dream home.*

A dwelling located close to Bannerghatta National Park brings in a pollution free environment. Also, being well connected to all the main roads, commuting to the city is as much as easy and hassle-free. Schools, Colleges, Shopping Centres and Nationalised Banks at a close proximity paves way for Canara Residency to be the most prime location one would ever aspire for.

With two major projects running at a high success, this third venture looks to bring in a lot more of excitement and well-maintained environment much to the delight of the residents at Canara Residency. We at Canara Builders & Developers work determinedly towards making you achieve your dream home at Canara Residency.

Being approved by the BMRDA, Govt. of Karnataka, this priceless piece of Bangalore at Canara Residency solemnizes to be your most affordable buy ever. Canara Residency has the best investment options with an unsurpassed prospectus of value appreciation for those looking to invest their hard earned riches.

Bangalore, known to be the Garden City and just the appropriate place to enjoy the coolness in the air, Canara Residency sets the mark to better its surroundings making this the right, proper and safe haven to dwell in.
